Good-  
bye.

So I  
need  
to  
leave

Gala Reception Dinner Party

Especially your *En Femme* series.

That's it!

Your work was inspiring.

My *Golden* piece is my best work.

Yes.

I saw love in that work.

Hi.

This is Jacques Gaudin, an acquaintance.

A friend, Lisa?

Nice to meet you. So you're here instead of Peter?

Robert Carrion, joint organizer for the Children's Arts Fund.

Jacques is an artist. Perhaps you saw him at Peter's gallery.

I've seen Peter himself at Jacques Gaudin before...

Gaudin.

New  
Orleans

It's time.  
Let's start  
the meeting,  
Lars.

I'll  
pay  
any-  
thing.  
When  
you  
change  
your  
mind.

Don't  
pass up  
chances.

Yeah, I  
wanted to  
buy it but I  
was rejected.

That's  
not  
for  
sale.

"The  
perfect  
lover"

It was  
impossible  
not to fall in  
love with  
him

But

He makes  
another  
savior just  
by letting  
go

Not  
sured. It's  
a choice.

Scared to  
commit?

If you  
love  
him.

But Jacques  
is intent on  
creating a  
perfect  
lover.

He can  
ease the  
pain,

but...  
don't  
fall in  
love.

But I can't  
promise  
anything  
more. That's  
his problem.

He makes  
a woman  
feel  
special.

Love?

I'm sick  
of  
falling  
in love.

No!

No, it's  
not.

It's  
over  
now.

When you  
disappeared  
from my  
life?

Do you  
have any  
idea how  
long I  
searched  
for you.

So you're  
not saying  
'goodbye'  
to me yet?  
Loa

Good  
night...  
Hub?

So I can't  
get back  
together  
with you.

Good  
night,  
Jacques.

Sam

You don't love him!

So you left me to go searching for a man who can commit.

Is it that guy?

I just work with him.

You mean Robert? It's not like that.

I can see he's after you.

Stop it. He's not like you.

That night,

you spoke about the future for a change.

About marriage and children.

You had no interest in marrying or becoming a father.

And you said you didn't want to settle down.

I thought you already knew that.

So you were hurt by that?

Thanks  
for  
today.

It's a  
wonder  
of  
time.

I've  
encouraged  
him further!

I'll take up  
your offer  
to taste the  
wines for  
me.

Don't  
run  
away  
like.

You're  
jumping to  
conclusions.

Because I  
hurt your  
pride.

I guess I  
had a  
bad up-  
bringing...

Sorry.

Nothing  
will happen  
between us,  
no matter  
what.

Oh,  
no.

We'll  
see  
who  
wins.

I want to  
get you in  
bed. You  
refuse me.

Then  
let's  
think of  
it as a  
game.

I've done it again

She's going to hate me even more now

I'm not running.

You can enjoy your little game on your own.

I will.

Senji

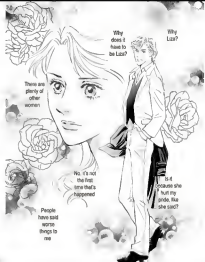

Why  
do I  
want  
you so  
much?

Liza!

Liza!

Liza...

Why  
does it  
have to  
be Liza?

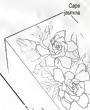

Why  
Liza?

There are  
plenty of  
other  
women

No, it's not  
the first  
time that's  
happened

People  
have said  
worse  
things to  
me

Is it  
because she  
hurt my  
pride, like  
she said?

How did he  
get this?  
It's out of  
season

a small  
piece of his  
work at the  
charity  
auction.

That  
Jacques  
Gaston  
wants to  
submit...

the bids  
will go  
sky-  
high.

It's sure  
to be a  
success!

If he helps  
with the  
promotion,

It smells  
great.

And this  
is for you.

Jacques

Do you love him?

A man like Jacques

Answer me!

Do you really love him?

Wait... Jacques

Let me go

Is he Jacques?

Ow!

So, Lisa?

Does that  
Japanese turn  
you up inside  
like I do?

Do  
you  
like  
this,  
when  
he  
kisses  
you?

There  
really is  
such a  
man

Burned  
by  
passion

I can't  
control  
myself

Ah.

7/8  
End

The Gaston family once served the royal family.

They had political power, working behind the scenes.

We were a brand family who wouldn't hesitate to kill.

During my father's generation, we lost everything, except for the courtyard and the old castle.

But times changed.

did say that you didn't get along with your father but...

You ...

Your father?

you never told me about your life in France.

No,

...

You can  
never  
erase  
your  
burden

You  
can  
never  
escape

No!

Look in the  
mirror  
before you  
dirty me.

You look  
like me,  
you act  
like me!

Shut  
up!

You  
cannot  
escape,  
Jacques!

I decided  
to leave  
home

Heart-  
broken my  
mother died  
when I was  
18

Just like  
your  
father  
said,

you are  
ruining  
your own  
life.

That's why I  
won't marry  
or have  
children.

I want to  
end this  
cursed  
family line.

Jacques,  
you are  
wrong.

I chose  
to live a  
fun and  
easy life

I was  
free

I want to  
America

I never truly  
loved  
anyone

But I  
didn't  
return.

I got  
news  
my father  
died.

3 years  
ago.

And  
you're  
giving  
us that  
wishes.

My one  
final  
memory.

I sold the  
candle but  
kept the  
vineyard.

Jacques.

You and  
your father  
are  
different.  
It's the way  
you feel and  
love that  
matters!

Heritage  
doesn't  
matter.

you've  
inherited your  
mother's traits,  
too.

You are  
an artist.

Remember.

Jacques,  
there is  
someone I  
want you  
to meet.  
You  
need to  
see  
him...

Him?

Sorry, I just took the cookies out of the oven.

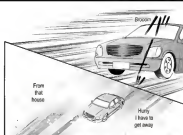

I thought I  
should at  
least attend  
the gala.

The doctor  
finally said  
I could  
leave the  
house!

Why are  
you  
here?

The  
police  
contacted  
us there.

You were  
using our  
penthouse as a  
studio, right?

I  
see.

I'm okay.  
Just cuts  
and  
bruises.

The car's  
a write-off,  
though.

Stamp  
Stamp

Are you  
all right?

Jaqueline

Amy

I  
couldn't  
forgive  
me.

Jacqueline  
hasn't said  
anything  
since then

It'll truly  
be over  
after  
tonight

You  
hurted?

But...

Yes.

Chapter

Chapter

Giggle

You took  
a rookie  
again,  
didn't  
you?

Don't  
touch, dear

Li-Sueen

Today's gala's  
the last thing,  
so I'll be able  
to play more  
soon.

I've been  
busy  
recently...

It ends  
tonight.

Don't

As long as I  
possess this  
love, I will  
never  
face the  
darkness

I love  
you

I love  
you

Lovebirds! The End

So let's  
give  
them...

a round  
of  
applaud!

Cheer

A big  
surprise,

Mr. Gorman  
and Mr.  
O'Malley  
are  
engaged!

And they  
have a 3-  
year-old  
son.

Some of  
you may be  
shocked.

I was  
surprised,  
too...
